An exciting young stallion, which is a shining example of the modern sports horse, with all the attributes of our continental competitors.

This outstanding British bred stallion has the talent & looks, plus impressive and extravagant movement, with superb trainability.

He combines excellent confirmation, paces & temperament, also broken to harness to prove his versatility.

Kentagon is from a proven performance tested and talented ancestry, with dual purpose bloodlines, expected to excel in any discipline. His pedigree includes many names, which are responsible for Olympic horses. A quality horse, who exudes presence, & in his first affiliated outing, winning at Novice & Elementary level, gaining qualification for the British Dressage R.F. with scores approaching 70%.

Kentagon shows amazing scope over fences, being both brave & careful.
